*Civil War High Commands* John Eicher  
2002-06-01 Based on nearly five decades of research, this magisterial work is a biographical register and analysis of the people who most

directly influenced the course of the Civil War, its high commanders. Numbering 3,396, they include the presidents and their cabinet members, state governors, general officers of the Union and Confederate armies (regular,

provisional, volunteers, and militia), and admirals and commodores of the two navies. Civil War High Commands will become a cornerstone reference work on these personalities and the meaning of their commands, and on the Civil War itself. Errors of fact and interpretation concerning the high commanders are legion in the Civil War literature, in reference works as well as in narrative accounts. The present work brings together for the first time in one volume the most reliable facts available, drawn from more than 1,000 sources and including the most recent research. The biographical entries include complete names, birthplaces, important relatives, education, vocations, publications, military grades, wartime assignments, wounds, captures, exchanges, paroles, honors, and place of death and interment. In addition to its main component, the biographies, the volume also includes a number of essays, tables, and synopses designed to clarify previously obscure matters such as the definition of grades and

ranks; the difference between commissions in regular, provisional, volunteer, and militia services; the chronology of military laws and executive decisions before, during, and after the war; and the geographical breakdown of command structures. The book is illustrated with 84 new diagrams of all the insignias used throughout the war and with 129 portraits of the most important high commanders.

*Genealogical Guide* Daughters of the American Rev 2009-06-01 In 1951, the DAR Magazine published *Genealogical Guide: Master Index of Genealogy in the Daughters of the American Revolution Magazine, Volumes 1-84 (1892-1950)*. More than forty members of the Elizabeth Benton Chapter of Kansas City, Missouri worked for months on this guide. Nearly 39,000 references evolved into an index encompassing fifty-nine years of the DAR Magazine. Five years later, the same workers produced a supplementary volume extending the coverage of the *Genealogical Guide* to 1955. The *Genealogical Guide* and the *Supplement* are reproduced in their entirety in this new publication, giving the researcher access to all genealogical items that appeared in the first 89 volumes of the DAR Magazine. Family Nibbles - Volume 4 Mark Jarvis "Family Nibbles - Volume 4, Stories of Our Jarvis Ancestors 1680-1800" is a compilation of stories from the blog site familynibbles.com. These stories include genealogy research on one line of Jarvis families in early Pennsylvania and Maryland. In fall of 1683, Elizabeth Jarvis and her two children disembarked their ship at Chester, Pennsylvania. That's the moment that our Jarvis

ancestors first arrived in America. This volume begins the story of our Jarvis family in America. We've been here for a long time. We'll follow the first three generations of our family as they experienced America from 1680 to 1800. These were common folk. They had successes and troubles. They had legal scrapes. Just when it seemed like they'd made it, some setback would knock them down. And when each generation suffered an economic hardship that made their lifestyle unsustainable, they chose the risk of moving west into frontier lands.

**Michael Weidler--his Antecedents and Descendants** Elizabeth VanBradt Meredith 1987 Michael Weidler (1705-1770) was born in Kirchartt, Baden, Germany. He married Anna Elizabeth Klein in 1726. They came to America in 1727 and settled in Lancaster County, Pennsylvania. Descendants and relatives lived in Pennsylvania, Ohio, Missouri, Texas, California and elsewhere. Includes ancestors in Germany and Switzerland.
