**Intermediate Korean Short Stories** Lingo Mastery 2021-08-30 Are you looking for a new Korean challenge after mastering the basics? Welcome to the Intermediate level! The Korean language is constantly advancing and conquering new markets. Whether it's with their television series, their incredible music or simply the culture and tourism, the Korean tongue is currently taking over the world! And we guess that you don't want to be left behind in not understanding and speaking Korean, right? Because of this, we have created the next level of Korean stories for the students who have already surpassed the beginner level: Intermediate Korean Short Stories! In this book we have compiled 12 challenging, compelling and fun stories that will allow you to expand your vocabulary, educate you on the culture and give you the tools to boost your grasp of the wonderful Korean tongue. How Intermediate Korean Short Stories works: - Each chapter possesses a funny, interesting and/or thought-provoking story based on real-life situations, allowing you to discover more about the Korean way of life. The last two are even more challenging in length and level for those of you getting ready for Advanced Korean! - The summaries follow the story: a synopsis in Korean and in English of what you just read, both to review the lesson and for you to see if you understood what the tale was about. Use them if you're having trouble. - At the end of those summaries, you'll be provided with a list of the most relevant vocabulary involved in the lesson, as well as slang and sayings that you may not have understood at first glance! - Finally, you'll be provided with a set of tricky questions in Korean, allowing you the chance to prove that you learned something in the story. Don't worry if you don't know the answer to any - we will provide them immediately after (and in English), but no cheating! We want you to feel comfortable while mastering the Korean tongue; after all, no language should be a barrier for you to travel around the world and expand your social circles! So look no further! Pick up your copy of Intermediate Korean Short Stories and level up your Korean language learning right now!

**Fragments** Marilyn Monroe 2010-10-12 Marilyn Monroe's image is so universal that we can't help but believe that we know all there is to know of her. Every word and gesture made headlines and garnered controversy. Her serious gifts as an actor were sometimes eclipsed by her notoriety -- and the way the camera fell helplessly in love with her. But what of the other Marilyn? Beyond the headlines -- and the too-familiar stories of heartbreak and desolation -- was a woman far more curious, searching and hopeful than the one the world got to know. Even as Hollywood studios tried to mold and suppress her, Marilyn never lost her insight, her passion, and her humour. To confront the mounting difficulties of her life, she wrote. Now, for the first time, we can meet this private Marilyn and get to know her in a way we never have before. Fragments is an unprecedented collection of written artifacts -- notes to herself, letters, even poems -- in Marilyn's own handwriting, never before published, along with rarely seen intimate photos. These bits of text -- jotted in notebooks, typed on paper or written on hotel letterhead -- reveal a woman who loved deeply and strove to perfect her craft. They show a Marilyn Monroe unsparing in her analysis of her own life, but also playful, funny and impossibly charming. The easy grace and deceptive lightness that made her performances so memorable emerge on the page, as does the simmering tragedy that made her last appearances so heartbreaking. Fragments is an event -- an unforgettable book that will redefine one of the greatest stars of the twentieth century and which, nearly fifty years after her death, will definitively reveal Marilyn Monroe's humanity.
