**The Night Bus Hero** Onjali Q. Rauf 2020-10-15 From Onjali Q. Rauf, the award-winning and best-selling author of The Boy at the Back of the Class, comes another incredible story, told with humour and heart. 'The boy's an absolute menace.' 'He's a bully. A lost cause!' 'Why can't he be more like his sister?' I've been getting into trouble for as long I can remember. Usually I don't mind 'cos some of my best, most brilliant ideas have come from sitting in detention. But recently it feels like no one believes me about anything - even when I'm telling the truth! And it's only gotten worse since I played a prank on the old man who lives in the park. Everyone thinks I'm just a bully. They don't believe I could be a hero. But I'm going to prove them all wrong... Told from the perspective of a bully, this book explores themes of bullying and homelessness, while celebrating kindness, friendship and the potential everyone has to change for the good.

**Children's Drawings** Georges Henri Luquet 2001 interest in children's drawings is contemporary with the birth of modern psychology but as yet there is no psychological theory that successfully accounts for the nature of children's drawing. The two main theories, visual realism and intellectual realism, fall short. The work of Georges-Henri Luquet is important because it goes beyond both theories. Luquet's work, though important and of interest to developmental psychologists, remains untranslated to date and so is often inaccurately cited. This translation of Le Dessin Enfantin makes Luquet's ideas available to a wider readership for the first time.

**Mary Anning** Maria Isabel Sanchez Vegara 2021-02-23 In this book from the critically acclaimed, multimillion-copy best-selling Little People, BIG DREAMS series, discover the life of Mary Anning, the first paleontologist, and daring fossil hunter. When Mary was little, her family was very poor. She used to help her dad to comb for shells and bones up high on dangerous cliffs. After receiving a book as a gift from a kind benefactor, Mary learned all about fossils. She continued to hunt for them and made the startling discovery of a complete skeleton of an ichthyosaur. Sadly, she wasn't allowed to study along with all the other men, but she carried on making her own discoveries—including dinosaur poo!—and advising the Geological Society when they needed help. It took a lifetime to receive recognition but we all remember her now as the mother of paleontology. This roar-some book features stylish and quirky illustrations and extra facts at the back, including a biographical timeline with historical photos and a detailed profile of the paleontologist's life. Little People, BIG DREAMS is a best-selling series of books and educational games that explore the lives of outstanding people, from designers and artists to scientists and activists. All of them achieved incredible things, yet each began life as a child with a dream. This empowering series offers inspiring messages to children of all ages, in a range of formats. The board books are told in simple sentences, perfect for reading aloud to babies and toddlers. The hardcover versions present expanded stories for beginning readers. Boxed gift sets allow you to collect a selection of the books by theme. Paper dolls, learning cards, matching games, and other fun learning tools provide even more ways to make the lives of these role models accessible to children. Inspire the next generation of outstanding people who will change the world with Little People, BIG DREAMS!
