

# The Invention Of Land Israel From Holy To Homeland Shlomo Sand

As recognized, adventure as skillfully as experience nearly lesson, amusement, as skillfully as concurrence can be gotten by just checking out a ebook **The Invention Of Land Israel From Holy To Homeland Shlomo Sand** next it is not directly done, you could tolerate even more a propos this life, with reference to the world.

We allow you this proper as skillfully as simple exaggeration to acquire those all. We offer The Invention Of Land Israel From Holy To Homeland Shlomo Sand and numerous books collections from fictions to scientific research in any way. in the midst of them is this The Invention Of Land Israel From Holy To Homeland Shlomo Sand that can be your partner.

**Discover the Holy Land** Max Miller 2020-01-15 This travel guide focuses on places that Holy Land tour groups typically visit and gives major attention to connections between the Bible and the land. The Holy Land is understood to overlap both present-day Israel and Jordan, so places like Gilead, Mount Nebo, Bethany-beyond-the-Jordan, and Petra are included. And while the biblical periods and biblical connections remain in the forefront, these are explored in the context of the Holy Land’s long and fascinating history. Ancient “tells” dating back to the Bronze Age, colonnaded streets and temples from Hellenistic and Roman times, early Christian pilgrimage destinations, Crusader castles, Mamluk and Ottoman fortifications—all illustrated with chronological charts, maps, site plans, and photographs. *Discovering the Miracle of the Scarlet Thread in Every Book of the Bible* Richard Booker 2009-11-28 Yes you can understand the Bible! Discovering the Miracle of the Scarlet Thread in Every Book of the Bible takes the mystery and confusion out of the Bible and makes God s Word come alive with new insights and a fresh excitement that will have you searching for more. Dr. Richard Booker unveils the mysteries and secrets of the Bible by explaining its master theme, and then reveals a simple plan so you can discover God s personal revelation for yourself. The author provides Exciting biblical background, An interesting survey of each book in the Bible, Each book s master theme, Practical principles, forms, and guidelines for your own life-enriching Bible study. The sometimes hard-to-understand teachings of Jesus in their original culture and context come alive and become real through discovering the miracle of the scarlet thread. Then Jesus began to explain everything which had been written in the Scriptures about Him.Jesus started with the books of Moses and then He talked about what the prophets had written about Him (Luke 24:27 PEB). This book about the Bible will change the way you think about His Word His life-changing and eternal Word.

*God's Feminist Movement* Amber Picota 2016-07-19 Experience True Liberation by Seeing Your Beauty, Femininity, and Freedom From Heavens Point of View Has Christianity kept women trapped in the stone age? In many ways, yes; but this is not by Gods design. As society offers women opportunities to explore outer-space and govern nations, the church often stifles and limits them. The tide is changing, though. Amber Picotas Gods Feminist Movement is a new covenant manifesto calling women to embrace their true identity in Christ and fulfill their destiny as revolutionaries who shape the course of history with the Kingdom of God. There is a powerful new feminist movement emerging in the body of Christ. Its not politically driven and its not being championed by an uprising of angry man-haters. Based on an intense study of Scripture, factoring in historical and contextual hermeneutics and original languages, Picota shares a practical, non-legalistic, and non-traditional (yet deeply Biblical) look at topics that women commonly face, such as: Dating and Modesty Female Leaders in the Church Submission in Marriage Beauty and Self-Image Celebrate the power and beauty of womanhood. God has given you permission to change the worldby being you! Break off religious traditions that keep women trapped in old school legalism and move beyond Christian clichs that minimize a womans true position in Christ!

**The Invention of the Land of Israel** Shlomo Sand 2012-11-20 What is a homeland, and when does it become a national territory? Why have so many people been willing to die for them throughout the twentieth century? What is the essence of the Promised Land?Following the acclaimed and controversial Invention of the Jewish People, Shlomo Sand examines the mysterious sacred land that has become the site of the longest running national struggle of the twentieth-century. The Invention of the Land of Israel deconstructs the age-old legends surrounding the Holy Land and the prejudices that continue to suffocate it. Sand’s account dissects the concept of ‘historical right’ and tracks the invention of the modern geopolitical concept of the ‘Land of Israel’ by nineteenth cntury Evangelical Protestants and Jewish Zionists. This invention, he argues, not only facilitated the colonization of the Middle East and the establishment of the State of israel; it is also what is threatening the existence of the Jewish state today.

**La Tierra de la Biblia** 2006 A pictorial pilgrimage through the Land of Jesus showing all the places familiar from the Bible. Nazareth city of the Annunciation, Bethlehem Where Jesus Was born, the Sea of Galilee where Jesus preached and prayed, Jordan River place of baptism, and Jerusalem, site of Jesus Passion. Unique pictures of interiors of Churches, religious processions and historic sites.

**Six Days** Jeremy Bowen 2012-09-27 The Six-Day War was an extraordinary human drama. It swept up a generation of Israelis and Arabs whose children still cannot live peacefully in the world the war created. Today, Israel is the superpower of the region. It has nuclear weapons but has never been able to digest the land it swallowed in 1967. However big its army, it will never be at peace or feel secure until the future of this land is settled. Thirty-six years after the end of the six days of fighting, after thousands more deaths and the failure of years of negotiation to try to reach a political settlement, Israelis and Palestinians are fighting once again on the streets in the West Bank and Gaza. It is still a low-level conflict, but if another full-blown Middle East war breaks out, its roots will lie in those six days in June 1967. Drawing on his experiences as the BBC's former Middle East correspondent, and building on extensive original research and interviews with some of the key participants, Jeremy Bowen uses his vast array of contacts to weave together a completely convincing and compelling account, hour by hour, of the 1967 war between Israel and Egypt, Jordan and Syria. As insightful as the best modern history writing and as gripping as fiction, this is a major debut by an author with superb media contacts.

*The Crusaders in the Holy Land* Meron Benvenisti 1972

**The Jewish State** Theodor Herzl 1934

*The Invention of the Jewish People* Shlomo Sand 2020-08-04 A historical tour de force that demolishes the myths and taboos that have surrounded Jewish and Israeli history. The Invention of the Jewish People offers a new account of both that demands to be read and reckoned with. Was there really a forced exile in the first century, at the hands of the Romans? Should we regard the Jewish people, throughout two millennia, as both a distinct ethnic group and a putative nation—returned at last to its Biblical homeland? Shlomo Sand argues that most Jews actually descend from converts, whose native lands were scattered far across the Middle East and Eastern Europe. The formation of a Jewish people and then a Jewish nation out of these disparate groups could only take place under the sway of a new historiography, developing in response to the rise of nationalism throughout Europe. Beneath the biblical back fill of the nineteenth-century historians, and the twentieth-century intellectuals who replaced rabbis as the architects of Jewish identity, The Invention of the Jewish People uncovers a new narrative of Israel’s formation, and proposes a bold analysis of nationalism that accounts for the old myths. After a long stay on Israel’s bestseller list, and winning the coveted Aujourd’hui Award in France, The Invention of the Jewish People is finally available in English. The central importance of the conflict in the Middle East ensures that Sand’s arguments will reverberate well beyond the historians and politicians that he takes to task. Without an adequate understanding of Israel’s past, capable of superseding today’s opposing views, diplomatic solutions are likely to remain elusive. In this iconoclastic work of history, Shlomo Sand provides the intellectual

foundations for a new vision of Israel’s future.

**The First Book of Moses, Called Genesis** 1999 The publication of the King James version of the Bible, translated between 1603 and 1611, coincided with an extraordinary flowering of English literature and is universally acknowledged as the greatest influence on English-language literature in history. Now, world-class literary writers introduce the book of the King James Bible in a series of beautifully designed, small-format volumes. The introducers' passionate, provocative, and personal engagements with the spirituality and the language of the text make the Bible come alive as a stunning work of literature and remind us of its overwhelming contemporary relevance.

**The Man Who Sold Air in the Holy Land** Omer Friedlander 2022-04-12 A brilliant young author’s stunning fiction debut: gorgeously immersive and imaginative stories that transcend borders as they render the intimate lives of people striving for connection “A beautiful debut by a deeply humane writer. Every story is a vivid world unto itself, intensely felt, and often revelatory.”—Nicole Krauss, author of *The History of Love* The Man Who Sold Air in the Holy Land announces the arrival of a natural-born storyteller of immense talent. Warm, poignant, delightfully whimsical, Omer Friedlander’s gorgeously immersive and imaginative stories take you to the narrow limestone alleyways of Jerusalem, the desolate beauty of the Negev Desert, and the sprawling orange groves of Jaffa, with characters that spring to vivid life. A divorced con artist and his daughter sell empty bottles of “holy air” to credulous tourists; a Lebanese Scheherazade enchants three young soldiers in a bombed-out Beirut radio station; a boy daringly “rooftops” at night, climbing steel cranes in scuffed sneakers even as he reimagines the bravery of a Polish-Jewish dancer during the Holocaust; an Israeli volunteer at a West Bank checkpoint mourns the death of her son, a soldier killed in Gaza. These stories render the intimate lives of people striving for connection. They are fairy tales turned on their head by the stakes of real life, where moments of fragile intimacy mix with comedy and notes of the absurd. Told in prose of astonishing vividness that also demonstrates remarkable control and restraint, they have a universal appeal to the heart.

*A History of Israel and the Holy Land* Michael Avi-Yonah 2001-01-01 In its entirety the story told here spans all of recorded history. It is a story of momentous events and mighty nations, of the birth of great religions and of foreign conquests, of longing and renewal. The scholars who have produced this work have woven an engrossing, continuous narrative out of the historical materials, presenting a rich array of peoples and cultures, from the ancient Hebrews and their neighbors down to the time of Jesus and the Roman wars and then on through the Arab and Crusader conquests, the Mameluk domination, the long period of Turkish rule, British Mandate, and the rebirth of Israel. An integral part of the story is the magnificent selection of photographs illustrating the land, its sites, its ruins, and its treasures. This expanded millennium edition of *A History of Israel and the Holy Land* takes the story into the twenty-first century with a new and comprehensive survey of the State of Israel from its establishment to the present day. The new material includes a review of political, economic, and social developments in Israel and summaries of the country's wars and the peace process.>

*The Oxford Illustrated History of the Holy Land* Robert G. Hoyland 2018 The story of the Holy Land, encompassing the three millennia that saw the birth of Judaism, Christianity, and Islam. Each chapter is written by a leading scholar and is highly illustrated with paintings, photographs, and ancient texts.

**We Can Have Peace in the Holy Land** Jimmy Carter 2010-02-18 President Carter has been a student of the biblical Holy Land all his life. For the last three decades, as president of the United States and as founder of The Carter Center, he has studied the complex and interrelated issues of the region's conflicts and has been actively involved in reconciling them. He knows the leaders of all factions in the region who will need to play key roles, and he sees encouraging signs among them. Carter describes the history of previous peace efforts and why they fell short. He argues persuasively that the road to a peace agreement is now open and that it has broad international and regional support. Most of all, since there will be no progress without courageous and sustained U.S. leadership, he says the time for progress is now. President Barack Obama is committed to a personal effort to exert that leadership, starting early in his administration. This is President Carter's call for action, and he lays out a practical and achievable path to peace.

**History of Israel** IntroBooks 2019-01-13 There are just so many of those things that history is holding inside and whenever one tries to look over for the facts which are left behind, there is that amazing and astounded feeling of getting overwhelmed. So is the case with history of Israel which talks about so many of those things that happened with the existence of this country.

**The Culture and Religion of the Holy Land in the 21st Century** Tom Meyer 2011-04-19 Tom Meyer combines ancient and modern history, research and personal experience of living with Jews and Arabs in Jerusalem over a period of four years to reveal exciting insights into the humanity, history, religion and politics of the Holy Land as we enter the 21st century. Inside you'll find- - Information to equip you with an introductory knowledge of Middle East culture and religion, with an emphasis on the religious, historical, and political features of Israel and Palestine. - Data to better recognize the culture and religion within Israel and Palestine in its specific historical and geographical context and how they compare, contrast and relate to one another. - Facts to help you understand and describe important aspects of the various tensions in the Holy Land. - The tools you'll need to acquire the ability to identify and explain popular subjects pertaining to Israel and Palestine and the Middle East at large. Tom Meyer has an MA in the Historical Geography of Israel and another MA in Middle East Culture and Religion from Jerusalem University College. He is currently working towards a PHD. His ministry Wordsower tells complete books of the Holy Bible word for word from memory. www.thescripturecannotbeproken.com

*Defending the Holy Land* Zeev Maoz 2009 A landmark analysis of the entire history of Israel's defense and foreign policies and a fundamental reassessment of its security doctrine

**Holy War for the Promised Land** David P. Dolan 1991 Provides a history of the conflict between the two regions by examining the persecution of the Jews and the story of Islam, and emphasizes the religion issue as a central theme in the conflict

**Caring for the 'Holy Land'** Claudia Liebelt 2011-11-01 In Israel, as in numerous countries of the global North, Filipina women have been recruited in large numbers for domestic work, typically as live-in caregivers for the elderly. The case of Israel is unique in that the country has a special significance as the ‘Holy Land’ for the predominantly devout Christian Filipina women and is at the center of an often violent conflict, which affects Filipinos in many ways. In the literature, migrant domestic workers are often described as being subject to racial discrimination, labour exploitation and exclusion from mainstream society. Here, the author provides a more nuanced account and shows how Filipina caregivers in Israel have succeeded in creating their own collective spaces, as well as negotiating rights and belonging. While maintaining transnational ties and engaging in border-crossing journeys, these women seek to fulfill their dreams of a better life. During this process, new socialities and subjectivities emerge that point to a form of global citizenship in the making, consisting of greater social, economic and political rights within a highly gendered and racialized global economy.

**The Bridge at the Edge of the World** James Gustave Speth 2008-10-01 How serious are the threats to our environment? Here is one measure of the problem: if we continue to do exactly what we are doing, with no growth in the human population or the world economy, the world in the latter part of this century will be unfit to live in. Of course human activities are not holding at current levels—they are accelerating, dramatically—and so, too, is the pace of climate disruption, biotic impoverishment, and toxification. In this book Gus Speth, author of *Red Sky at Morning* and a widely respected environmentalist, begins with the observation that the environmental community has grown in strength and sophistication, but the environment has continued to decline, to the point that we are now at the edge of catastrophe. Speth contends that this situation is a severe indictment of the economic and political system we call modern capitalism. Our vital task is now to change the operating instructions for today's destructive world economy before it is too late. The book is about how to do that. [In the Footsteps of King David](#) Yosef Garfinkel 2018-06-07 King David is a pivotal figure in the Bible, which provides stirring accounts of his deeds, including the slaying of the Philistine giant Goliath and the founding of his capital in Jerusalem. However, no certain archaeological finds from the period of his reign or of the united kingdom he ruled over have been uncovered until now. In this first-hand and highly readable account, the excavators of Khirbet Qeiyafa in the Valley of Elah, where the Bible says David fought Goliath, reveal how seven years of exhaustive investigation have uncovered a city dating to the time of David the late 11th and early 10th century bc surrounded by massive fortifications with impressive gates, a clear urban plan and an abundance of finds that tell us much about the inhabitants, including a pottery sherd with the earliest known Hebrew inscription. The authors clearly describe the methods of the excavation and the evidence they discovered, as well as how we interpret it. But more than just a simple excavation report, this book also explains the significance of these discoveries and how they shed new light on Davids kingdom, as well as discussing the link between the Bible, archaeology and history. This topic is at the centre of a decades-long controversy, with some scholars disputing that the Bible contains a record of historical events and people, an approach that is convincingly challenged here.

**From Jesus to Christ** Paula Fredriksen 2008-10-01 "Magisterial. . . . A learned, brilliant and enjoyable study."—Géza Vermès, *Times Literary Supplement* In this exciting book, Paula Fredriksen explains the variety of New Testament images of Jesus by exploring the ways that the new Christian communities interpreted his mission and message in light of the delay of the Kingdom he had preached. This edition includes an introduction reviews the most recent scholarship on Jesus and its implications for both history and theology. "Brilliant and lucidly written, full of original and fascinating insights."—Reginald H. Fuller, *Journal of the American Academy of Religion* "This is a first-rate work of a first-rate historian."—James D. Tabor, *Journal of Religion* "Fredriksen confronts her documents—principally the writings of the New Testament—as an archaeologist would an especially rich complex site. With great care she distinguishes the literary images from historical fact. As she does so, she explains the images of Jesus in terms of the strategies and purposes of the writers Paul, Matthew, Mark, Luke, and John."—Thomas D'Evelyn, *Christian Science Monitor*

[The Land Called Holy](#) Robert Louis Wilken 1992-01-01 Drawing on both primary texts and archaeology, Wilken traces the Christian conception of a Holy Land from its origins inthe Hebrew Bible to the Muslim conquest of Jerusalem in the seventh century. [The Holy Land \(Pocket Edition\)](#) George W. Knight 2014-05-01 Visit the Holy Land, wherever you might be—with this beautifully illustrated guide to the history, culture, geography, and key sites of Bible places. Now available in a handy, pocket-size edition, this “readable reference” transports you to the land where Abraham, David, and Jesus lived, explaining the what, when, where, and why of their stories—and many, many more. The Holy Land identifies nearly twelve dozen key locales, providing details on their history, setting, and importance. Fully illustrated in color, with helpful maps and intriguing sidebars, *The Holy Land* is great prep for those visiting the Middle East—and an equally great read for “armchair travelers” who want to better understand the Bible story.

**Holy People, Holy Land** Michael Dauphinais 2005-10-01 Offers an integrated theological vision of the Old and New Testaments that highlights the pattern of God's work through scripture.

**The David Story: A Translation with Commentary of 1 and 2 Samuel** Robert Alter 2009-10-21 "A masterpiece of contemporary Bible translation and commentary."—Los Angeles Times Book Review, Best Books of 1999 Acclaimed for its masterful new translation and insightful commentary, *The David Story* is a fresh, vivid rendition of one of the great works in Western literature. Robert Alter's brilliant translation gives us David, the beautiful, musical hero who slays Goliath and, through his struggles with Saul, advances to the kingship of Israel. But this David is also fully human: an ambitious, calculating man who navigates his life's course with a flawed moral vision. The consequences for him, his family, and his nation are tragic and bloody. Historical personage and full-blooded imagining, David is the creation of a literary artist comparable to the Shakespeare of the history plays.

[Holy Land Postal History](#) 1979

**The Holy Land for Christian Travelers** John A. Beck 2017-08-01 A trip to the Holy Land is on the bucket list of many Christians. But planning a meaningful trip in a place so filled with significant sites is an imposing task. Most travel guides are not prepared to link the Bible and land in an accurate and meaningful way because they are written for people of all faiths. So how can a Christian traveler prepare a trip that will illuminate God's Word and reveal the Lord's presence? In *The Holy Land for Christian Travelers*, John A. Beck provides a guide to the Holy Land for Christians with explanations of the biblical significance of important sites. The entries provide key Scripture references for reflection and a guide to the land that will encourage communion with God and a genuine spiritual experience for travelers as they walk in the footsteps of Jesus. A trip to the Holy Land can be a worship-filled, once-in-a-lifetime spiritual journey. This book puts a biblical scholar and experienced Holy Land guide at the reader's side.

**The Hidden History of Zionism** Ralph Schoenman 1988

**Slavery and the Commerce Power** David L. Lightner 2006-01-01 Born in Warsaw, raised in a Hasidic community, and reaching maturity in secular Jewish Vilna and cosmopolitan Berlin, Abraham Joshua Heschel (1907-1972) escaped Nazism and immigrated to the United States in 1940. This lively and readable book tells the comprehensive story of his life and work in America, his politics and personality, and how he came to influence not only Jewish debate but also wider religious and cultural debates in the postwar decades. A worthy sequel to his widely-praised biography of Heschel's early years, Edward Kaplan's new volume draws on previously unseen archives, FBI files, interviews with people who knew Heschel, and analyses of his extensive writings. Kaplan explores Heschel's shy and private side, his spiritual radicalism, and his vehement defence of the Hebrew prophets' ideal of absolute integrity and truth in ethical and political life. Of special interest are Heschel's interfaith activities, including a secret meeting with Pope Paul VI during Vatican II, his commitment to civil rights with Martin Luther King, Jr., his views on the state of Israel, and his opposition to the Vietnam War. A tireless challenger to spiritual and religious complacency, Heschel stands as a dramatically important witness.

[The Holy Land in History and Thought](#) Moše Šārôn 1988

*Jerusalem Bound* Rodney Aist 2020-08-28 A pilgrim spirituality for Holy Land travel, *Jerusalem Bound* resources the Christian traveler with biblical, historical, and contemporary images of the pilgrim life. Integrating historical sources, on-the-ground experience, and the voices of global pilgrims, *Jerusalem Bound* presents a fresh approach to pilgrimage, explores pilgrim identity and the Holy Land experience, offers ideas for Holy Land travel, and encourages pilgrims to focus upon the Other as much as themselves. Unique among Holy Land resources, *Jerusalem Bound* discusses material that is seldom addressed on a Holy Land journey: the motives of Holy Land pilgrims, the history of the Christian Holy Land, understanding the holy sites, pilgrim practices, material objects, and the challenges of Holy Land pilgrimage. Emphasizing the incarnational nature of lived experience, the book encourages pilgrims to derive meaning in both the highs and lows of religious travel. Attentive to the transformational nature of pilgrimage, *Jerusalem Bound* is ultimately interested in Christian formation and the aftermath of the Holy Land journey.

**Radical Christianity in Palestine and Israel** Samuel J. Kuruvilla 2013-03-27 Christianity arose from the lands of biblical Palestine and, regardless of its twentieth century associations with the Arab-Israeli conflict, to Christians around the world it remains first and foremost the birthplace of Christianity. Nevertheless the size of the Christian population among Palestinians today living in Israel and the Palestinian territories is now relatively insignificant. In *Radical Christianity in the Middle East*, Samuel J. Kuruvilla argues that Christian Palestinians often emply politically astute as well as theologically radical means in their efforts to prove relevant as a minority community within Israeli and Palestinian societies. Examining the political background of the gradual collapse of secular Arab Nationalism, to be replaced by Islamic liberation movements, he reveals a trend within the Christian Palestinian Church which saw increasing politicisation in the 1980s and 1990s. In the face of often-restrictive Israeli policies, such as land confiscation, along with the First Intifada, there was a drive towards setting up inter-Church and faith activism with the goal of Palestinian liberation. Kuruvilla charts the development of a theology of Christian liberation, in particular through the work of Palestinian Anglican cleric Naim Stefan Ateek and Palestinian Lutheran Pastor Mitri Raheb. From its roots in 1960s Latin America, liberation theology has been adapted and contextualised within the specific situation within Israel and Palestine to produce a framework that emphasises peace and reconciliation, while recognising the importance of resistance and national unity. Theology has impacted Christian perceptions of Palestinians' struggle with Israel; the idea of a land promised to the sons of Abraham and the moral responsibilities that come with this are pitted against Israeli oppression of both Christian and Muslim inhabitants of the Holy Land and their desire for independence and justice. Through this comprehensive study of the,often overlooked, theological, political and practical position of Christians in Palestine, Kuruvilla provides a new and insightful perspective on one of the most written-about conflicts.

**The Wealth of Networks** Yochai Benkler 2006-01-01 Describes how patterns of information, knowledge, and cultural production are changing. The author shows that the way information and knowledge are made available can either limit or enlarge the ways people create and express themselves. He describes the range of legal and policy choices that confront.

[Holy Land Pilgrimage](#) Stephen J. Binz 2020-10-15 Biblical scholar and seasoned pilgrimage guide Stephen J. Binz offers an up-to-date handbook for experiencing the sites of the Holy Land as a disciple of Jesus. Whether contemplating future travel, on the road of pilgrimage, savoring memories of a past trip, or journeying in mind and heart from an armchair, readers will explore the nature of pilgrimage and encounter the places of the Holy Land from a biblical, historical, meditative, and prayerful perspective. This guide will enable Christians to walk in the footsteps of Jesus, confident that their pilgrimage will be both an educational journey and a transforming spiritual experience. Full-color illustrations throughout!

**Whose Holy Land?** Michael Wolffsohn 2021-10-15 This book explains the historical roots of the conflict between Jews and Arabs, which has lost none of its explosiveness to the present day, in a comprehensive and easy-to-understand manner. The question of who owns the Holy Land is more relevant today than ever. The debates on this topic are often characterized by ignorance and strong emotions, while partiality and power interests still obscure the view on the political situation in the Middle East. Shaking up old myths and prejudices, this book presents an overall historical as well as political analysis of the Jewish, Christian, and Muslim structures, actors, and actions from the very beginning to this very day, as well as a topical analysis. It combines history with theology and political science. Thus, the book is a must-read for scholars and students of political science, history, and international relations, as well as policy-makers, interested in a better understanding of the historical background and current political situation in the Middle East.

[Postcards from the Holy Land](#) Salo Aizenberg 2010

*Palestine* Nur Masalha 2018-08-15 This rich and magisterial work traces Palestine's millennia-old heritage, uncovering cultures and societies of astounding depth and complexity that stretch back to the very beginnings of recorded history. Starting with the earliest references in Egyptian and Assyrian texts, Nur Masalha explores how Palestine and its Palestinian identity have evolved over thousands of years, from the Bronze Age to the present day. Drawing on a rich body of sources and the latest archaeological evidence, Masalha shows how Palestine's multicultural past has been distorted and mythologised by Biblical lore and the Israel–Palestinian conflict. In the process, Masalha reveals that the concept of Palestine, contrary to accepted belief, is not a modern invention or one constructed in opposition to Israel, but rooted firmly in ancient past. Palestine represents the authoritative account of the country's history.

*Archaeological Encyclopedia of the Holy Land* Avraham Negev 2005-01-01 Spanning ten millennia from earliest civilisation to the Arab conquest this book is the definitive one-volume reference to the ancient lands of the Bible, fusing scientific discovery and literary and religious tradition to produce a deeper understanding of the history of human culture. Here the settings of the world's three major religions are examined, incorporating the most up-to-date archaeological information with the biblical record of the Holy Land, the Encyclopaedia visits the ancient Near East site-by-site, with comprehensive descriptions of hundreds of discoveries as well as providing historical commentary and relevant biblical citations. General articles on subjects such as burial, warfare, cult objects and clothing provide further insight into the material culture and social systems of the biblical period. More than 20 distinguished archaeologists have contributed articles in their areas of expertise complete with details from their own excavations. >

*How I Stopped Being a Jew* Shlomo Sand 2014-10-07 Shlomo Sand was born in 1946, in a displaced person's camp in Austria, to Jewish parents; the family later migrated to Palestine. As a young man, Sand came to question his Jewish identity, even that of a “secular Jew.” With this meditative and thoughtful mixture of essay and personal recollection, he articulates the problems at the center of modern Jewish identity. *How I Stopped Being a Jew* discusses the negative effects of the Israeli exploitation of the “chosen people” myth and its “holocaust industry.” Sand criticizes the fact that, in the current context, what “Jewish” means is, above all, not being Arab and reflects on the possibility of a secular, non-exclusive Israeli identity, beyond the legends of Zionism.
