**Quicklet on James Dashner's The Maze Runner** Peg Robinson 2011-12-20 ABOUT THE BOOK "Out there is the Maze," Newt whispered, eyes wide as if in a trance. "Everything we do—our whole life, Greenie—revolves around the Maze. Every lovin' second of every lovin' day we spend in honor of the Maze, tryin' to solve somethin' that's not shown us it has a bloody solution, ya know? And we want to show ya why it's not to be messed with. Show ya why them buggin' wals close shut every night. Show ya why you should never, never find your butt out there." "All is an illusion" is the core message emanating from James Dashner's novel, The Maze Runner, which hitches a young adult (YA) science-fiction fantasy plot to a premise reminiscent of The Prisoner or an old Twilight Zone episode. Children trapped in a manipulative experiment, with their memories of their past lives wiped clean, struggle to escape to a seemingly elusive freedom. The Maze Runner series is violent, dark, and edgy, with a similar allure to that of The Hunger Games. According to IMDb, in their article on The Maze Runner, a movie based on the novel is in development, and is scheduled for release in 2013. MEET THE AUTHOR Peg Robinson holds a BA in Religious Studies from the University of California at Santa Barbara, and has partially completed an MA/PhD in Mythological Studies from Pacific Graduate Institute. He meets the residents of the Maze—other teenaged boys who, like him, have found themselves in this unexplained place, pitted against deadly foes and struggling to find escape from their prison. Thomas finds himself wishing to become one of the Maze Runners for whom the story is named: the best, fastest, bravest, strongest, and most resourceful of the boys. Maze Runners go out daily to explore the maze, trying to learn its secrets and find a way out. His goals are challenged, though, by rivals within the compound known as the Glade, and by the dangers and difficulties of the world itself.

The imagined curses of a people born centuries earlier, passed from father to son, mother to daughter, generation to generation. Its climax came in human form, a monster of a man, one of the most notorious serial killers the nation has ever seen: Pee Wee Gaskins. And Gaskins had a particular hatred for the Player family, then for David, himself, who barely escaped those years with his own life intact. Now David is back, his four children in tow, visiting his parents' home, a place he has learned to cherish despite the evils that haunted his younger days. But no sooner does he return than a stranger visits their doorstep, the son of Pee Wee Gaskins. In a terrifying display, right in front of the kids, the man utters threats until he chokes on his own tongue, sparking a series of events that drag David and his family back into the days of curses and murders, onto a path of unimaginable terror, all too familiar. That path leads to an old gothic tower in the woods, a place David had blocked from his memory, a house of horrors both past and present.
