The Golden Hour T. Greenwood 2017-03-01 A frustrated artist with a traumatic past finds mystery and healing on a remote Maine island in this "richly told and hauntingly beautiful" novel (Heather Gudenkauf, *New York Times* bestselling author). Years ago on a spring afternoon, thirteen-year-old Wyn Davies took a shortcut through the woods in her New Hampshire hometown and became a cautionary tale. Now, twenty years later, she lives in New York, on the opposite side of a duplex from her ex, with their four-year-old daughter shuttling between them. Wyn makes her living painting commissioned canvases of birch trees to match her clients' furnishings. But the nagging sense that she has sold her artistic soul is soon eclipsed by a greater fear. Robby Rousseau, who has spent the past two decades in prison for a terrible crime against her, may be released based on new DNA evidence—unless Wyn breaks her silence about that afternoon. To clear her head, Wyn agrees to be temporary caretaker for a friend's new property on an island off the coast of Maine. The house has been empty for years, and in the basement Wyn discovers a box of film canisters labeled "Epitaphs and Prophecies." Like time capsules, the photographs help her piece together the life of the house's former owner, an artistic young mother. But there is a

mystery behind the images too, and unraveling it will force Wyn to finally confront what happened in those woods—and perhaps escape them at last. “An emotionally charged novel with many layers, rounded out by a cast of memorable characters.”—Publishers Weekly

The Shadow of Death Jane Willan 2018-04-10 Perfect for fans of G. M. Malliet and M. C. Beaton, *The Shadow of Death* is divine entertainment from a talented debut writer. A charming and clever traditional mystery debut set at a bucolic Welsh convent, *The Shadow of Death* introduces Sister Agatha, a mystery-loving nun who finds herself in the midst of a real-life murder case. The sisters of Gwenafwy Abbey have cherished their contemplative life—days spent in prayer, reflection, tending the Convent’s vegetable gardens and making their award-winning organic cheese, Heavenly Gouda. Life seems perfect, except for Sister Agatha, a die-hard mystery fan who despairs of ever finding any real life inspiration for her own novel. That is, until the Abbey’s sexton is found dead under an avalanche of gouda. Despite the reservations of the local constable, Sister Agatha is convinced it’s murder and the game is afoot. Armed only with the notes she’s scribbled during her favorite podcast, *How to Write a Mystery Novel*, as well as a lessons learned from crime heroes ranging from Hercule Poirot to Stephanie Plum, Sister Agatha leads the nuns of Gwenafwy Abbey (and her unwitting sidekick, Father Selwyn) as they begin a race against time to resolve the death of Jacob, save the Abbey, exonerate a beloved postulant, and restore the good name of their cheese.

fate. When Alice Eveleigh arrives at Fiercombe Manor during the long, languid summer of 1933, she finds a house steeped in mystery and brimming with secrets. Why will no one speak of her? What happened a generation ago to make her vanish? As the sun beats down relentlessly, Alice becomes ever more determined to unearth the truth about the girl in the photograph - and stop her own life from becoming an eerie echo of Elizabeth's . . . The Shadow List Jen Sookfong Lee 2021-05-04 In these devastating lyric poems Jen Sookfong Lee unfolds the experience of her narrator, following her through frost-chilled nights and salt-scented days, as she pulls at the knot of accumulated expectations around her trying to create space to want and to be. *The Shadow List* is a book filled with desire, where we question the politics of who gets to choose and who doesn't, and where the narrator creates hidden lists of what she really wants. With a novelist's way with character, Lee builds a deep connection with the narrator of the poems, yet each individual poem creates a vivid snapshot of moments many will recognize. The slick of black ice, the killing light of day, the cheap, plastic diamonds - they are all pieces of a life we gather and put in our pockets to remember with.

Mr Penumbra's 24-hour Bookstore Robin Sloan 2012-12-20 A New York Times bestseller, *Mr Penumbra's 24-hour Bookstore* is an entirely charming and lovable first novel of mysterious books and dusty bookshops; it is a witty and delightful love-letter to both the old book world and the new. Recession has shuffled Clay Jannon out of his life as a San Francisco Web-design drone - and serendipity, coupled with sheer curiosity, has landed him a new job working the night shift at Mr. Penumbra's 24-Hour Bookstore. But after just a few days, Clay begins to realize that this store is even more curious than the name suggests. There are only a few customers, but they come in repeatedly and never seem to actually buy anything, instead they simply borrow impossibly obscure volumes from strange corners of the store, all according to some elaborate, long-standing arrangement with the gnomic Mr. Penumbra. The store must be a front for something larger, Clay concludes, and soon he's embarked on a complex analysis of the customers' behaviour and roped his friends into helping to figure out just what's going on. But once they bring their findings to Mr. Penumbra, it turns out the secrets extend far outside the walls of the bookstore... 'The pages swell with Mr Sloan's nerdy affection and youthful enthusiasm for both tangible books and new media... [but] the ties that bind the story are friendship and vitality for life. This is a

clever and whimsical tale with a big heart' The Economist Shortlisted for the LA Times Book Award for First Fiction.

Shadow Work Craig Lambert 2015-05-01 With the exception of sleep, humans spend more of their lifetimes on work than any other activity. It is central to our economy, society, and the family. It underpins our finances and our sense of meaning in life. Given the overriding importance of work, we need to recognize a profound transformation in the nature of work that is significantly altering lives: the incoming tidal wave of shadow work. Shadow work includes all the unpaid tasks we do on behalf of businesses and organizations. It has slipped into our routines stealthily; most of us do not realize how much of it we are already doing, even as we pump our own gas, scan and bag our own groceries, execute our own stock trades, and build our own unassembled furniture. But its presence is unmistakable, and its effects far-reaching. Fueled by the twin forces of technology and skyrocketing personnel costs, shadow work has taken a foothold in our society. Lambert terms its prevalence as "middle-class serfdom," and examines its sources in the invasion of robotics, the democratization of expertise, and new demands on individuals at all levels of society. The end result? A more personalized form of consumption, a great social leveling (pedigrees don't help with shadow work!), and the weakening of communities as robotics reduce daily human interaction. *Shadow Work* offers a field guide to this new phenomenon. It shines a light on these trends now so prevalent in our daily lives and, more importantly, offers valuable insight into how to counter their effects. It will be essential reading to anyone seeking to understand how their day got so full—and how to deal with the ubiquitous shadow work that surrounds them.
